

# BADGERKRATE

USA

2017

## Our Newest Shipping Innovation

Multi-panel, hinged and durable, BadgerKrate is ideal for protecting long or difficult-to-package products. Our exclusive design is engineered to pack and ship flat, saving space and lowering costs. It folds easily into a variety of shapes and is tough enough to stand up to the damages of shipping.

### SHIPS FLAT

Hinge fold design ships flat, saving space and shipping costs.

### ASSEMBLES EASILY

Even the largest sizes take just seconds to fold into place.

### TOUGH AND REUSABLE

Can be flattened to ship and re-folded time and time again.

To request a sample or get a custom quote, visit [badgerpaperboard.com](http://badgerpaperboard.com) or give us a call at 262.692.6499

**“LIKE ALWAYS, IT’S OUR GOAL  
TO MAKE EVERYONE A  
BADGER FAN!”**

## Custom Cut For Your Project

We have the flexibility to create custom products that fit your needs. We'll work with you to choose the substrate, size and design so you can be confident you're getting the best possible shipping solution.

- Choose from open-ended or end cap design
- Available in 2, 3, 4 and 5 panel cuts
- Sizes up to 60" wide x 400" long
- In a range of thicknesses, from .040-.250pt
- Can be printed with 1-color random repeat

## Put BadgerKrate to Work

It's an economical alternative to U-channel, Cornerboard, fan fold corrugate and double- and triple-wall corrugate cartons.
