

## Custom Paperboard Converting

At Badger Paperboard, our industry experts have been creating custom shipping solutions since 1990. Responsive and adaptable, our team works to get you exactly what you need, when you need it. We keep millions of pounds of paperboard on site so we can offer the best lead times in the industry, 7-10 days on average.

### **FAST TURNAROUNDS**

We cut lead times and deliver your order quickly.

### **RESPONSIVE SERVICE**

Our team offers smart, creative solves that work for your business.

### **CUSTOM PRODUCTS**

We die cut in house, so we can custom cut exactly what you need.

**“LIKE ALWAYS, IT’S OUR GOAL  
TO MAKE EVERYONE A  
BADGER FAN!”**

## The Right Solution

For every hard-to-pack product or carefully stacked pallet, we have the paperboard solution to ship it safely and efficiently. In sizes as small as 1"x1" and as large as 48"x120", our paperboard is made from 100% recycled material, making it easy on the environment.
